Your petition of the 14th. day of the bright lunar fortnight was perused and the contents thereof learnt that you have sent the ryots of Chikmaglur back to their places and that you are about to join our camp. It is our desire that you do not come to us at present but repair soon to Sakaraypatna on the receipt of this order.

There the ryots have chosen and appointed a new person for conducting the worship of Sakuni Rangaswamy, having dismissed the old worshipper. Inquire fully into the affair and reinstate the old claimant in his post. Further we hear that the people of that Taluq are very troublesome and mischievous. If it is true, inflict punishment upon all such without hesitation. Take steps to prevent a recurrence of the same. March with your force to the very heart of the Manjarabad and Belur Taluqs. Set up your station there and look to preserve order and peace all-round; submit your report for the same and await the arrival of fresh instructions on the matter.

Whereas it has come to our notice that in Belur Taluq Ibbédu Putta Basavé Gowda and Dinnenahalli Putta are both accomplices of the executed Tholalu Dayave Gowda, and having collected a mob of thousands harassed the ryots in many ways; exacted money from them illegally, and grazed their cattle in the Amrit Mahal kavals. That the said scoundrels raised money to the extent of about Rs. 50 in the Ibbédu and Hebbalu Hoblis and that they conspired to assault and injure Lakshumpur Sivé Gowda who held the charge of the Hoblis,— because he did not join the mob. Since Sivé Gowda appeared personally before us and has rendered himself responsible to apprehend the culprits affirming that Putta Basavé Gowda is in Sakaraypatna Taluq, and Dinnenahalli Putta is lurking in the Belur Taluq— we hereby instruct you that you should make out the two ringleaders wherever they might be, and keep them in safe custody. In the event Sivé Gowda succeeds in proving that they exacted Rs. 50 in his Hoblis, and grazed their cattle in the government kaval, take a written agreement from them to that effect and reporting the same to us expect our further mandates on the affair.

We perused your two reports addressed to us from Chikamagalur camp. Therein we are informed of your arrival with your Horse in Chikmagalur Taluq, of the escaping of the mutinous ryots and potails in a mass into the woods, of the coming of the Amildar, Serishtadar and that Arunagiri Naik to you, of the message which you despatched to those revolted ryots and people through Arunagiri Naik warning them of the punishment that awaited them should they resist further instead of returning to their houses and villages to their own happiness and safety, of how you negotiated with the ryots who surrendered to you; and of the deed of settlement which you obtained from them promising therewith to tender to the Government a sum of two thousand pagodas within a week on doing which you assigned to them their former positions, and also of the petition which the people themselves intended to submit to us. We are further informed that you have recalled some of the insurgents that had fled to the hills by proclaiming a general amnesty and that you mean further to go to Sakaraypatna. It is highly pleasing to us that you have successfully negotiated with the ryots and potails of the Taluq and reinstated them in their own places. It is our wish that you take precautions to prevent a recurrence of the rising and also that the amount of revenue be soon collected from them and for having done so, let a report be made to us. Furnish us with ample information as regards the recalling of those that had fled to the hills; then proceed to Sakarapatna and bring the affairs there to a peaceful end. The petition of Chikmaglur ryots has not reached us as yet, but on the receipt of the same further instructions will be given to you according to the course of events and occasion.
